

In order to provide all of our guests with the best dining experience possible, we have implemented a dress code.

We suggest collared shirts for gentlemen.

We do not allow hats to be worn in the dining room.

We consider tank tops, overly provocative clothing, boldly logoed athletic attire, and flip-flops too informal for the dining experience we intend to provide.

Although your comfort is our priority, we do not feel that overly casual attire is appropriate for dining in our restaurant.

Your understanding is greatly appreciated.
